LEADERSHIP CONSULTATION PORTFOLIO

Leadership Assessment Consultation

Administration, interpretation, and use of assessment tool results for individual leaders and groups and customized facilitation based on the needs and goals of the unit or department.

Coaching Consultation in Program Design and Development

Sponsorship and support of organizational development innovations by serving as an “incubator” for projects that begin as start-up experiments. As programs develop and become self-sustaining, the projects are adopted by appropriate campus units or are institutionalized as university-wide programs or services.

Senior-Level Retreat Design, Planning, and Implementation

Consultation in the areas of design, planning, and implementation of senior-level retreats for deans, directors, chairs, and other senior administrators.
